

FISCAL NOTE

SB 212 - HB 309

March 14, 1997

SUMMARY OF BILL: (1) Allows an applicant for Career Ladder II or III evaluation, upon being informed of the composition of the evaluating team, to be entitled to request that two members of the team be removed and that the State Certification Commission name two new members. Current law allows the replacement of one member of the evaluation team. (2) Deletes requirement that supervisors participate in planning and presentation of staff development activities during the in-service training period.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$52,000

Assumes that peer evaluators may no longer be available in all subject areas and additional evaluators may be required to be hired to make up the evaluation team.

Approximately 3% or 13 applicants removed one evaluator in 1996-97. This estimate assumes that at least 13 applicants will remove two evaluators as set out by this bill, instead of one, which is allowed under current law. This estimate assumes a cost of approximately \$4,000 to replace an evaluator on the evaluation team.
